

January 15, 2025

Thank you for your interest in the 2025 Westside Community Market (WCM). Please read through all Market Rules before completing the 2025 Application, as revisions have been made by the WCM Board of Directors.

Please take note of the following regarding the 2025 Application process:

- The market will once again offer an additional post-season market on November 8th, 2025. Vendors who choose to participate will be charged the daily stall rate. This fee will be collected the day of and should not be included with your application payment.
- The Westside Community Market is a ***Wisconsin Producer-Only*** market. While we do not require the producer to be present at the market, we do encourage it.
- Complete the **Product Information check-off section of the Application realistically and accurately** based on what you would grow or produce for sale at WCM – it is vital to WCM maintaining its reputation as a well-balanced farmers’ market, with a diverse product offering. WCM assesses product compatibility during Application review. **Current vendors hoping to add new products must include these on the application for approval by the WCM Board of Directors.**
- **Please note stall and membership fees have been raised for the 2025 season to keep up with rising costs.**
- Completed applications shall be mailed to **WCM's P.O. Box by March 1st, 2025.**

Only completed application packets will be considered. Completed application packets include:

- ✓ Completed “2025 Application for Membership” (attached)
- ✓ Copies of all current, applicable license and permit documents, and labels for processed products.
- ✓ Check for 2025 membership fee and stall fee based on desired stall size and session participation. ***Please note that the \$60 membership fee is required from all members along with your stall fee.*** We appreciate your continued membership in the market.
- If your application is **not accepted** for the 2025 season, your check will be returned to you uncashed.
- The market will notify each applicant when their application has been received.

1.0 INTRODUCTION

Founding Goals

The Westside Community Market, Inc. is an organization founded to pursue the following goals:

To give growers and producers of Wisconsin agricultural commodities and other farm-related products alternative marketing opportunities;

To promote the sale of Wisconsin-grown farm products;

To improve the variety, freshness, taste and nutritional value of produce available in the Madison area;

To provide an opportunity for farmers and consumers to deal directly with each other rather than through third parties and to thereby get to know and learn from one another;

To provide an educational forum for consumers to learn the uses and benefits of quality, locally grown or prepared food products;

To provide educational opportunities for producers to test and refine their products and marketing skills;

To enhance the quality of life in the Greater Madison Area by providing a community activity that fosters social gathering and interaction;

To preserve Wisconsin's unique agricultural heritage and the historical role which farmers' markets have played in it; and

To provide a balance between Vendor profitability and a full product availability to WCM customers.

2.0 MEMBERSHIP DUTIES AND PRIVILEGES

Eligibility

Any individual whose goods are in compliance with Market Rules and guidelines who wishes to participate in the Market is eligible to apply to become a Member of (Vendor at) the Market.

How To Become A Member

An individual must submit a complete Application packet to the Market each year to be considered for Membership, which lasts a year and runs from April 1st to March 31st. The WCM Board of Directors selects Vendors for Membership using a number of criteria, including diversity of product in the Market and Vendor seniority.

A complete application packet consists of:

1. Completed, signed, current WCM Application For Membership form (attached);
2. Copies of all current, applicable, required licenses, organic certification, permit documents and labels for processed products for your business and for products you wish to sell at WCM, and a list of all production locations;
3. Check for sum of: Stall fee, based on requested stall size (single or double) and sessions, and \$60 for annual membership fee. (See 6.0 Fee herein, and see Application)

WCM will cash your check when/if WCM Board accepts applicant for membership. Denied applicants will have checks returned to them by WCM.

Applicants are responsible for knowing which licenses and permits are required to meet state and local laws. The WCM Application For Membership form (attached), along with revised WCM Rules (this document) is mailed in January to all Members in good standing as of end of previous year and to others who express interest in vending. Applications must be postmarked or date stamped by March 1, 2025 to be considered at that time. Mail completed application packets to:

Westside Community Market, P.O. Box 5115, Madison WI, 53705-5115.

Membership

One Membership is issued to an individual entity.

The Membership year runs from April 1st to March 31st.

To be eligible to share in a Membership, each individual entity must fulfill all of the following:

1. Be listed by name and address on only one application; and
2. Participate in the actual production of the Membership's product(s) at a shared location(s) which is (are) described on the application; and
3. Have a proven ownership interest in the entire enterprise. The business form and percentage of ownership of all named co-Members shall be described on the application.

An Owner/Member is not required to be present at stall during Market, but anyone selling at Market for the Member must abide by the Market Rules.

A Member or anyone selling at Market for a Member must be 16 years of age, or older, for the Member to exercise its rights to vend at a Market. The Market Manager may waive the minimum age upon request if the younger Member/co-Member or representative is capable of responding to all requests for information by the Market Manager or Market customers, capable of handling any problems that are likely to arise, and that such waiver will not place other Members or the Market's customers at undue risk.

All partners of a Membership shall share the one Membership. No individual may have a financial interest in more than one Membership. A Member who violates this rule will be terminated upon discovery of the violation. Marketing cooperatives where Members produce products separately and merely market them together are not allowed. Persons who desire to sell product produced by a franchise are not eligible for Membership. For purposes of this section "franchise" is defined as a business or operation, which pays compensation for use of another party's system or name for marketing goods or services. Membership privileges include the right to sell at the Market, seniority, the right to vote, meeting participation, the opportunity to hold office, season stall eligibility, and access to records.

A Member in good standing is considered to hold a "stall permit" for the Markets that they are approved to vend.

Absences/empty stalls hurt the market.

Regular attendance is expected. Owner/Members are expected to notify manager of upcoming absences.

Members who vend at any Market must have available for inspection, at each Market by the Market Manager or the public, any licenses or permits required for any product(s) they sell. This is in addition to providing copies of licenses and permits with their annual Application.

Seniority

Each year each Member's seniority will be determined at the time their application is accepted. Seniority ranking will be considered when the market manager and board evaluate member requests including but not limited to membership renewal, stall placements, double stall assignments, lapses of membership or leaves of absence, but in and of itself is not a guarantee.

A one-year leave of absence may be permitted to members as determined by the board. The fee for an approved leave of absence is based on prior year attendance and current year rates and membership fees. Requests for leave must be submitted along with payment within the yearly application window, no later than March 1.

Seniority ranking is determined by the three attendance factors:

1. The number of years of Membership out of the total number of years the WCM has been running; and
2. The number of sessions vended since the start of the Membership; and
3. The combined daily attendance since start of Membership.

Termination of Membership due to rule violation(s) will result in seniority on a subsequent application as if a first-time member.

Operating From More Than One Stand

Due to limited space and the Market's desire to provide selling opportunities to as many Members as possible, no Member may be involved in the operation of more than one stall on any one Market date, unless a Member under one Membership holds a double stall permit. Members who operate or have financial interest in more than one stall at any one Market shall be immediately expelled from the Market, with the loss of all Membership rights and privileges.

3.0 OPERATIONS

Market Day Vendor Times

The Westside Community Market is held in the parking lot in front of the MG&E Innovation Center, 505 S. Rosa Rd., Madison, Wisconsin, 53719. The 2025 season will run every Saturday, rain or shine, from April 12th to November 1st. Advertised sale hours are from 7 am to 12:30 pm. A bonus market may be offered on November 8th, 2025 depending on vendor interest.

Vendor Set Up

Vendors set up in stalls between **5:00 am – 6:45 am**.

Parking only for sellers holding stall permits. WCM's operating permit **prohibits vendors from entering the lot before 5:00 am**. If stall permit holder arrives later than 6:45 am Market Manager will assign stall(s) if available.

Vendor Pack Up

Vendors must pack up stalls and exit lot by **2:00 pm**.

This 2:00 pm rule will be monitored and enforced by the Market Manager.

Unscheduled Vending

To vend at Market on a date other than one already applied and accepted for, Member must obtain the explicit permission of Market Manager **no later than the Thursday preceding the Market in question**. Only a Member or pre-approved non-member daily vendor may make such a request, and vending space is **NOT automatic**. Daily stall permit fees required.

4.0 STALLS

Stall Availability

As the market strives to keep a variety of Wisconsin products in balance, the market maintains **no waiting list**. This, in part, is an effort to prevent the market from being flooded by one type of vendor or another. The result is a dynamic market that has a broad selection of products for our customers, whilst remaining a viable and productive market for our vendors. We encourage all applicants to apply annually.

Stall Location

Attempts will be made to keep vendors in the same location or general area as prior market seasons. However, there is no guarantee that a vendor will receive the same stall location each year. The Market Manager has the power to change Vendors' stall locations in order to create a market product mix that attracts more customers.

Stall Size

Width of a parking stall is 11 feet and width of a single stall vending area is 10 feet (allowing for one-half foot space on either side, for total of one foot between Vendors).

Each single stall is 11 feet wide.

Each double stall is 22 feet wide.

No stall shall exceed these limits.

The WCM operational permit issued by University Research Park, limits the total footprint of the Market. For this reason, **requests for double stalls cannot be guaranteed**. The Market Manager and WCM Board will consider various factors in deciding whether a double stall will be granted, including but not limited to: space available, product diversity needs of the market, and seniority.

All tent, umbrellas, and canopies must be tightly secured and adequately weighted at all times, with **at least 25 pounds per canopy leg**.

Parking

Vendors and employees should park their personal vehicles, not included in their application in the east side aisles of the parking lot, separate from the vending area.

5.0 INSURANCE

Sellers are responsible for their own personal liability and product liability insurance. The Market **requires** Vendors to obtain personal liability insurance.

7.8 Weights and Measures

All produce to be sold in the Market will be sold by legal weights and measures. Vendors are responsible for having their scales certified for compliance annually. The use of a non-certifiable scale at the market is a procedural violation.

7.9 Pets

Sellers must not bring pets into the Market for health and safety reasons.

7.10 Parking

Vendors must discourage (a) sales to people in vehicles or (b) lengthy parking not in slots by customers for picking up purchased items. The practice of customers not parking in designated slots is a potential safety hazard.

7.11 Documentation

Documentation of a product's legitimacy must be submitted upon request.

7.12 Potentially Hazardous Foods

It is the responsibility of the Vendor to abide by the Department of Health regulations concerning the vending of such products.

7.13 Product Temperature

The Vendor is responsible for monitoring and maintaining proper temperatures in accordance with health codes. Vendors who sell foods that must be kept refrigerated or frozen must have an accurate thermometer at the Market.

7.14 Noise and Emissions

No loud or disturbing noises shall be made or action taken on the grounds which will interfere with the rights, comfort or convenience of other Vendors or the public. The running of any vehicle, gasoline or diesel motors, is not permitted. Because of the safety hazard, gas or charcoal grills, or any open flames are prohibited at the Market. Quiet generators (under 60dB) are allowed. The Market Manger & WCM Board are given discretion to determine if a generator is operating too loudly for use at the market.

7.15 Organic Labeling

All Vendors using the term “organic” must follow the federal regulations, with appropriate organic certification on file with the Westside Community Market and available at the Vendor's stall.

(c) The Member will be notified of the approval or non-approval of the new product within thirty (30) days.

10.0 VENDOR CONDUCT

Vendors shall conduct themselves in a manner that is courteous to other Vendors, Market personnel and the public. Behavior that is threatening, abusive or harassing shall constitute a violation of Market rules. Repeated violation may result in disciplinary action by the Board of Directors.

Committing a criminal act at the Market and/or failure to comply with any regulating agencies may cause the Vendor to be expelled from the Market, which means a termination of vending privileges, seniority and Market Membership.

11.0 INSPECTION

Representatives of the Market shall have the right to conduct an on-site inspection of the production areas of those products sold by a Vendor at the Market. An inspection may include ownership information and any other information relevant to determining product legitimacy. Failure to allow such an inspection will constitute a violation of Market rules, and the procedures outlined under "Enforcement of Market Policies and Rules" will be followed.

12.0 ENFORCEMENT OF MARKET POLICIES AND RULES

Membership Agreement

All Members who sell in the Market will complete an "Application For Membership" prior to selling in the Market. This application will constitute an agreement between sellers and the Market to abide by the policies and rules governing the Westside Community Market. Should any questions arise regarding the observance of Market policies and rules, the procedures outlined below will be followed.

Reporting Violations And Follow-up

A Vendor, Market customer, or the Market Manager may submit to the Market Manager or a Board Member a complaint against a Vendor where there is reason to believe a violation of Market rules exists. The identity of the complainant will not be revealed by the Market.

Vendors have the responsibility to report to the Market Manager when they witness and/or suspect an infraction of Market rules. The Market Manager will conduct an initial investigation of any complaint, which could include an on-site inspection. The investigation will include an attempt to obtain detailed information from the complainant, the alleged violator and other witnesses before a determination is made that a violation occurred.

Procedural Violations

Procedural violations include actions such as early parking, violation of maximum stall width, failure to properly license or label, use of a non-certified scale, failure to adequately weigh down tent, and other non-product legitimacy violations. The Market Manager will bring violations to the Vendor's attention for immediate remedy. Continual procedural violations may result in expulsion.

Product Legitimacy Violations

If a Vendor offers a product for sale at the Market and it is determined that the Vendor did not produce the product, the Vendor's membership and vending privileges will be immediately terminated. A Vendor will not be eligible to re-apply for Membership in the Market until at least 12 months have expired since the date of the final termination determination and then only if the Member's application is approved by a two-thirds vote of the Board.

13.0 RIGHT TO APPEAL

Any member whose vending and Membership rights have been terminated or who has been assessed penalty points may appeal the determination.

- The Member will have fourteen (14) days from the date of receipt of the written determination to file a written appeal with the Market Manager.
- The WCM Board of Directors (not including the Market Manager, though they may be present) or a committee of at least three WCM Board Members appointed by the WCM Board will hear the appeal within fourteen (14) days of the Market Manager's receipt of the Member's appeal request.
- If the determination is reversed on appeal, the Vendor's Membership and vending privileges will be immediately restored.
- In no event shall any person be entitled to recover damages from the Market for being denied vending privileges based on a good faith enforcement of the Market's rules.

14.0 COVENANT TO HOLD HARMLESS

The Vendor agrees to indemnify and hold the Westside Community Market harmless against and from any and all claims, damages, costs and expenses, including reasonable attorney's fees, arising from the conduct or management of the business conducted by a Vendor at the Westside Community Market. A Hold Harmless statement is included in the application; signature is required as part of a complete application.
